

LYNCHBURG GYNECOLOGY

NOTICE TO PATIENTS REGARDING COVID-19

To maintain a healthy environment for our patients, providers and employees, Lynchburg Gynecology is taking all of the necessary precautions to ensure the health and safety of our community.

If you have a fever, cough or shortness of breath, traveled outside of the US within the past 14 days, or have been in direct contact with a person who has tested positive for Coronavirus, please call us at **(434) 385-7818** prior to your visit so we can assess whether you need to be seen or whether your routine appointment can be appropriately rescheduled.

Our office is also offering TELEHEALTH services to patients for issues that can be addressed without coming to the office. Please call the office to be assessed for this new service.

Thank you for taking this seriously and considering the health of our patients, providers and employees.

Please help us reduce the risk of spreading illness by [washing your hands and other CDC guidelines](#).

To learn more about Coronavirus, please visit the [CDC website](#) and the [Virginia Department of Health](#) website for updates and helpful information! Stay healthy and informed!
